IT'S ALL ABOUT THE KIDS!

The Boys & Girls Clubs of Greater Conejo Valley offers much needed financial assistance to those who cannot otherwise afford to join and participate in our nationally-proven, time-invested programs. As part of our ongoing academic extension and enrichment programs, we are so proud to provide targeted classes taught by community leaders and highly skilled teaching professionals. Our programs vary from math and reading to music and technology. The Scholarship Fund allows us to provide these very important programs to the youth of tomorrow. We depend on the community to help us carry out our Mission. Please contribute by donating to our Scholarship Fund so we can make these programs available to all of our elementary and middle school members. **GREAT FUTURES START [HERE](#).**
