# VOLUNTEER. TEACH. LEARN.

## Engineer your best summer ever!

Volunteer with the Boys & Girls Clubs while sharing your skills in areas like math, robotics, coding, science, and engineering.

It's a great opportunity to share your passion while developing leadership and management skills! Work independently or with a team to help kids build brighter futures!

Help manage classrooms, plan games and group activities, volunteer at summer camp, or even just hang out and be a mentor to our kids!
