

Summer Camp For All

Safety is our number #1 priority. Boys & Girls Clubs of Greater Conejo Valley adheres to all safety guidelines, including current CDC guidelines for childcare as well as any local regulations which vary by jurisdiction.

- Wellness checks will be conducted at the entrance of each club with temperature checks for both staff and members.
- Campers stay with the same cohort during the month.
- All program areas and high touch surfaces are disinfected after each group.
- Staff and campers are to wash their hands after each activity and prior to entry of the facility.
- Staff and campers are to maintain social distance protocol.
- If a camper is unable to comply with social distance protocol, they may not attend camp.
- Outside parent drop off and pick up is required.
- Anyone who develops symptoms will be isolated and then sent home.
- If your child becomes sick, parents will pick up within 60 minutes of notification.
- Any camper feeling sick will not be admitted to camp.

Campers between 1st and 8th grade will enjoy a wide range of summer activities designed to keep them engaged and excited! Themed weeks will include science, art, sports, games, water play, technology and more!
