

ANNUAL REPORT 2020

BOYS & GIRLS CLUBS
OF GREATER CONEJO VALLEY

DEAR STAKEHOLDERS:

2020 was a difficult year on all fronts for communities across the globe. As we begin the 2021 year with the celebration of the 20th anniversary of our founding, we reflect on how you, our community, made it possible that we are one of the few youth enrichment organizations surviving and working to serve the youth and our communities.

Our dedication to our mission enabled us to remain diligent in serving those in our community who needed us the most, despite the shutting down of businesses and schools that began in March of 2020. Through strategic pivots in staffing models, fiscal responsibility, smart hires, and team-focused commitment, we kept our doors open for essential working parents and vulnerable children and families, all day, week after week, month after month.

With children facing tremendous learning loss, food scarcity, depression, and isolation, we picked up the baton to ensure our youth's social and emotional wellbeing by providing meals, fitness activities, and academic support. We send a special shout-out to our employees, who were literally on the front lines, working day in and day out despite the pandemic.

While our organization has not emerged from 2020 unscathed, we have emerged more resilient and committed. This annual report captures the incredible wins we have had this year and honors you, our supporters, who made sure that the youth in our communities had a safe place to go.

We hope you share in our sense of accomplishment as you peruse the pages which detail our COVID response, the extensive enrichment programming that we persisted in providing despite the challenges, and some special stories. These pages represent the breadth and depth of what youth receive when they walk through Club doors.

We also begin our 20th Anniversary Celebration with this report, taking advantage of the opportunity to recognize those who have put their time, talents, and treasure into making BGCGCV what it is today. We honor our founder and our founding members. We honor 20 years of dedication and accomplishments. Take a trip down memory lane and see if you participated in any of the highlighted events listed in our timeline on page 14!

And finally, we invite you to join us in envisioning the future of BGCGCV—in line with our 2025 Strategic Plan and beyond. There are some exciting opportunities to get involved, renew your relationship with us, or help us leave a legacy. We look forward to the conversation and the journey.

OUR FOUNDER

We would not be here if it were not for Cal Johnson. Growing up in an orphanage, Cal learned the importance of providing a safe place for youth. He credits the support he received during his youth as what enabled him to succeed as a graduate of the University of Southern California, First Lieutenant in the Air Force, and real estate development investor.

In 1998 Cal was introduced to the Boys & Girls Clubs of America, serving as a Regional Trustee between 1998 and 2017. Cal traveled across the country, visiting different Clubs and observing how Clubs were delivering programming to youth and families. Cal observed that many Clubs were isolated from schools, making it difficult for children to attend.

To ensure access for all youth, Cal founded BGCGCV in 2001 to build full Clubhouse facilities on middle school campuses. At the time, Cal envisioned starting six Clubs in the Conejo area. Today, BGCGCV runs nine Clubs serving thousands of members every year across Los Angeles and Ventura counties.

Rising Stronger:

OUR RESPONSE TO THE COVID-19 CRISIS

In 2020, BGCGCV focused on doing everything we could to support our youth, families, and employees coping with, and emerging from, the COVID-19 pandemic whole and even more resilient than before the crisis hit.

BGCGCV kept Clubs open because we believe parents should not have to choose between earning an income and ensuring their child is educated. Vulnerable children should not have to experience hunger, be left alone, or trail behind academically.

In March, we were able to keep four of our Clubs open for the remainder of the 2019-2020 school year, despite all the challenges and new requirements due to COVID. We were also able to open up two additional Clubs for summer and fall programming, totaling six Club sites across Ventura and Los Angeles counties.

We spent the year actively working to maintain a sense of routine, prevent learning loss, and enabling families to continue to economically support themselves. We also provided 100% of staff the opportunity to continue working in 2020 if they felt comfortable doing so. We provided regular organizational updates and individualized social-emotional coaching to our staff to ensure their well-being while offering proper support to our Clubs' youth and families.

Our COVID work did not stop with the new year. We continue to educate our elected officials around the needs of our youth, families, and community. We are also working closely with public school districts to ensure that our Clubs can support youth and family needs throughout the new school year for both in-person and online formats.

CORONAVIRUS RESPONSE IMPACT

Since March 2020, BGCGCV was:

6 of 9 BGCGCV Clubs Open

4 Clubs were open in March 2020, 5 in the summer, and 6 in the Fall.

1 of 9

California Boys & Girls Club Organizations open out of 500+ Clubs.

1 of 402

Boys & Girls Clubs across the nation open out of 4,300+.

Expanding Our Impact As Leaders in the Field

BGCGCV provided technical assistance on COVID safety and protocols for other Clubs in the region, building on lessons learned as early responders to the crisis.

464 Advocacy Calls 180 Calls to Essential Businesses

We let our representatives know what families and youth were experiencing, and we let essential businesses know we were there to support their workers.

100% of Our Staff

provided with employment, coaching, and training to ensure their individual wellness and the wellness of the youth that they serve.

100% of Members Provided With the Tools to Keep Up Academically

including daily school and homework support, access to the internet and devices.

731 Youth Served During the Pandemic (March - December)

Expanded to Full Day Club Hours Five Days a Week to meet community need.

Keeping Youth Safe: Physically and Emotionally

BGCGCV Clubs are designed to keep youth safe, both physically and emotionally, and we prioritize a culture of safety.

Our highly trained staff understand how important it is to create inclusive spaces where members feel like they belong. Whether a member needs support to escape abuse at home, fight discrimination due to sexuality or race, overcome trauma, or feel like they can't find their niche, they have a place at Club.

It was this commitment to safety that helped us support our youth and families effectively in 2020.

Club safety plans include:

- Criminal background checks for each staff and volunteer, a confidential 24-hour toll-free Child Safety Hotline, and email
- Ongoing child safety training
- 100% adherence to high national Boys & Girls Clubs of America safety standards

DID YOU KNOW?

50% of kids surveyed felt more anxious and stressed during the pandemic, but having access to staff they could talk to and trust helped them self-manage their stress.

Supporting working and vulnerable families facing mounting stressors

Providing healthy snacks at our Clubs to combat food insecurity

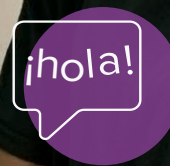

Collaborating with school administration to support youth and prevent learning loss

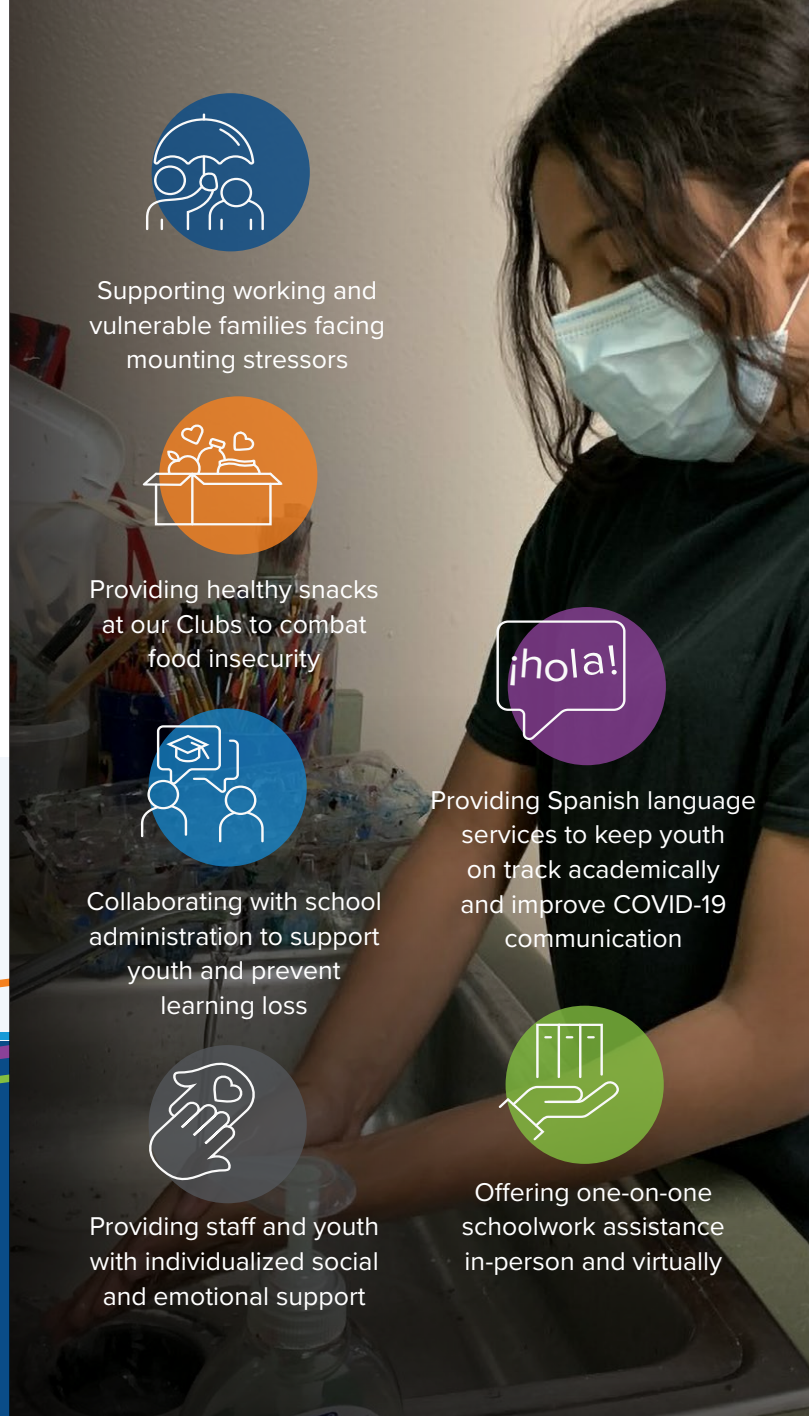

Providing staff and youth with individualized social and emotional support

Offering one-on-one schoolwork assistance in-person and virtually

Providing Spanish language services to keep youth on track academically and improve COVID-19 communication

COVID SAFETY

BGCGCV takes the utmost precaution to keep our members safe. All Clubs operate in 100% compliance with federal, state, regional, and local safety and cleaning regulations.

Members are placed in small, consistent monthly cohorts to minimize exposure and maintain a clean and safe space during the pandemic. Temperature taking, hand washing, and masking are required and observed consistently.

As a result, BGCGCV has had ZERO cases of COVID transmission in our Clubs.

Access to Safe and Supportive Services

Depending on the Club, up to 80% of members received a scholarship to attend.

SOCIAL-EMOTIONAL SAFETY

Our focus and organizational mandate in 2020 was to ensure our members had socially and emotionally supportive environments that they could depend on. To do so, BGCGCV intentionally implemented social-emotional learning (SEL) by:

- ✓ Paying close **attention to the feelings of stress** or anxiety of our youth members and their families.
- ✓ **Acknowledging and supporting** our members in processing their full range of emotions and concerns while offering calm reassurance and age-appropriate problem-solving strategies.
- ✓ Providing **age-appropriate information** and accurate answers to questions about the news while limiting social media during club hours.
- ✓ **Providing consistency** in daily routines, including healthy meals and nurturing academic support.
- ✓ **Practicing patience** and structure when routines were disrupted.
- ✓ Designing activities to help our youth members think of creative ways to **maintain their friendships** and social connections despite isolation.
- ✓ **Utilizing fun alternatives** to show signs of affection and encouragement while minimizing the spread of germs.
- ✓ **Proactively reaching out** to schools and community organizations to support our youth experiencing more acute levels of anxiety, stress or trauma, while maintaining privacy for the youth and family.

A 2020 Youth of the Year Achievement:

FIRST TIME GOING TO STATE

The Youth of the Year program celebrates the remarkable lives of Boys & Girls Clubs of Conejo Valley members who have distinguished themselves by rising above challenging circumstances. Each Club chooses two candidates as their Youth of the Year nominee based on their active involvement in their Club or camp, service to their community, commitment to education, and healthy behavior mentoring for younger Club members. Candidates share how the Club impacted their life, the challenges they faced, how they overcame challenges, and what they learned from their experiences through persuasive public speaking, a written essay, and interviews with an esteemed panel of judges.

For the first time in BGCGCV history, our Club member went on to win California Coastal Youth of the Year! BGCGCV Club member Renique McNeil was named 2020 14 and Up Boys & Girls Clubs of Greater Conejo Valley Youth and 2020 Boys & Girls Clubs' California Coastal Youth of the Year. This achievement was rewarded with a significant college scholarship and accolades.

Congratulations!

Coastal Region Youth of the Year, and BGCGCV 14 and Up winner: Renique 'Nicki' McNeil

BGCGCV 13 and Under winner: Liam Hall

Opportunities to Give

Our supporters make it possible for us to offer our programming to youth regardless of their ability to pay. Furthermore, national research has shown that every dollar invested in Boys & Girls Clubs returns \$9.60 in economic benefits in the community. Your gift will directly influence individual youth wellbeing as well as community wellbeing.

NEW OPPORTUNITIES

20th Anniversary Supporter Club

In honor of our 20 years, we are seeking supporters to join this donor club at \$20,000! Pave the way for the next 20 years! You'll be our VIP for the year!

for your generosity

Jeremiah Milbank Society

This society is for individuals who give unrestricted gifts of \$10,000 or more. Unrestricted gifts are essential to our being able to provide the absolute best services to our members. These gifts offer flexibility that can support multiple programs or enable us to pivot to organizational areas most in need. The ability to pivot was an essential capability that saved our organization and enabled us to serve youth in 2020 despite the challenges of the COVID-19 pandemic.

Lifetime Giving Society

These donors demonstrate a deep commitment to Clubs by contributing a minimum of \$250,000 during their lifetime.

Heritage Club

In honor of 20 years, we are seeking 20 supporters to recognize BGCGCV in their planned giving! Through bequests, IRA rollovers, and estate planning, donors can leave a legacy and receive immediate or deferred tax benefits!

We are grateful to all our staff who support our youth with their time and talents every single day.

OUR MISSION

To enhance the lives of young people and their families by providing a positive environment that cultivates academic success, healthy lifestyles, good character and citizenship.

OUR VISION

To inspire and develop Club youth to achieve success and champion opportunities for all young people in the Greater Conejo Valley.

Support Our 2025 Vision!

Your giving during our 20th Anniversary will propel us toward success in reaching our goals despite the turmoil of 2020! Your help is vital for us to achieve our 2025 target goals, like doubling the number of youth we serve and providing them with best-in-class programming from top-notch staff.

STRATEGIC GOAL:

2025 TARGETS:

Double the number of youth we serve by 2025 through building and maintaining strong partnerships with schools and opening new locations to serve elementary school youth.

Annually Increase National Youth Outcomes Initiative Scores (optimal Club experience for youth), and maintain or exceed BGCGCV's continued standing in the top 10% of Clubs nationwide.

Increase efficiency and expand organization capabilities through innovations and collaboration opportunities. Cultivate world-class staff and board leadership. Grow resource development capacity and a sustainable, diversified portfolio through expanded funding opportunities.

Increase collective impact by participating in local, regional, and national youth development advocacy and building local partnerships.

First-Ever Virtual Gala Event

For the first time, the 2020 celebration was streamed via YouTube Live and featured cameos from community heroes, supporters, parents, Club members, and staff. In the 43 minutes of the Gala live-stream, we were able to bring in over \$23,000, all of which was matched! In September, our matching campaign concluded, and we are happy to report that we successfully met the \$70,000 match!

Whatever your talent—we have a place for you! These dedicated individuals and corporate groups support us:

- in Clubs, as mentors, tutors, camp leaders, and coaches;
- as one-time group volunteers helping to beautify or refurbish clubs;
- at our Gala and events, helping to make them the most sought-after tickets in town;
- in our administrative offices, assisting with marketing, resource development, and other essential tasks that make the ship run; and
- on our Board of Governors, providing guidance to Clubs and advocating for them in the community.

In 2020 COVID restrictions meant we had to radically reduce the number of volunteers.

The economic impact of our programs is far-reaching. When parents and guardians have a safe place for their children and teens to spend time before and after school and during school breaks, they can maintain work schedules, limit their childcare costs, and ensure proper academic support for their children.

Our members go on to be healthy and productive adults contributing to our local economies and our Clubs.

Our staff and volunteers gain invaluable experience and continue to give back, year after year.

Making an Impact Together

We are honored to have spent the last 20 years building brighter futures for the youth in our communities. 2020 has given us greater clarity and guided our mission to continue supporting children and teens throughout the greater Conejo Valley area. We look forward to many more years of partnering with local community members, businesses, and organizations to give our youth safe and encouraging spaces to thrive and meet their full potential.
