

How do we vet driver candidates at Kango?

EACH DRIVER OR SITTER MUST PASS OUR KANGO SAFETY CHECK:

- Trustline caregiver certification (CA) or Clearance Card (AZ) required
- Background check (includes criminal and sex offender searches from multiple states, counties and databases as well as a check for multiple aliases)
- DMV check (from multiple states, counties and databases)
- 19 point vehicle inspection
- Phone screen
- Two reference checks
- In-person interview
- Compliant with COVID-19 health policies - disease overview and implications, driver/rider safety, Kango protocols and procedures on safety and public health
