Our Program Curriculum

GREAT FUTURES START HERE

Club members have access to daily programs where they can find new interests, explore various activities, and dive deeper into their passions.

Classes are offered at **NO ADDITIONAL CHARGE** when monthly members are enrolled in the after-school program. Non-monthly members are welcome to enroll in these programs on a pay as you go basis.

Character & Leadership Development

These programs are the guiding lights that empower and uplift our youth, molding them into responsible and caring citizens.

ANTI-BULLYING— Empowering youths to identify and address bullying behaviors, teaching prevention techniques, and providing guidance on reporting incidents.

FAMILY ENGAGEMENT ACTIVITIES— Engaging youths in activities that foster positive family relationships, promote positive outcomes, and discourage risky behaviors.

JUNIOR YOUTH OF THE YEAR— Cultivating leadership potential among young individuals, laying the groundwork for academic success, and recognizing their achievements in leadership.

KEYSTONE— Encouraging youths to connect and socialize with peers, explore relevant issues, and develop skills to support both their Club and community.

LATINO OUTREACH— Promoting cultural pride and identity among Latino youths through active learning opportunities and relationship-building activities.

**LOCALLY DEVELOPED PROGRAMS
FOSTERING GOOD CHARACTER AND
CITIZENSHIP**

PASSPORT TO MANHOOD— Inspiring boys to discover themselves and make positive contributions to their families and communities through hands-on activities.

RACIAL DEI— Creating an inclusive environment where youths of all races, abilities, gender expressions, and backgrounds can express themselves while deepening their understanding and respect for others.

SMART GIRLS— Inspiring girls to create positive, healthy attitudes and lifestyles through prevention, education, self-esteem enhancement, and fitness activities.

TORCH CLUB— Fostering the opportunity for Club members to elect officers, plan and implement activities, and engage in community service projects to develop leadership abilities and civic engagement.

YOUTH FOR UNITY— Encouraging individuality and embracing uniqueness as youths explore different aspects of their identity while learning about stereotypes and biases.

YOUTH OF THE MONTH— Fostering youth leadership within the Club, building confidence, and recognizing youth efforts in developing their leadership abilities.

YOUTH OF THE YEAR— Recognizing outstanding leadership, personal communication skills, and resilience among youths in our diverse and integrated world. This is a signature effort to foster a new generation of leaders.

Education & Career Development

Through hands-on experiments, interactive projects, and exploration of cutting-edge concepts, youths gain the capacity to adapt, innovate, and excel in fields that drive progress.

STEM— Connecting youths with hands-on, activity-based STEM curriculum covering various topics such as energy and electricity, engineering design, food chemistry, and sports science.

DIPLOMAS2DEGREES (d2D)— Guiding youths towards high school graduation, college readiness, and career success.

DIY STEM— Engaging youths in exploring science, technology, engineering, and math concepts through interactive hands-on activities.

CAREER LAUNCH— Equipping youths with techniques and practices for effective studying, completing homework, and preparing for future careers.

IN-CLUB WORK-BASED LEARNING— Providing opportunities for youths to explore different careers, gain employability skills, and acquire real-life work experiences.

OUT-OF-CLUB WORK-BASED LEARNING— Offering leadership experiences and opportunities for youths to apply their developed skills through internships, apprenticeships, or part-time paid jobs.

SCHOOL PARTNERSHIPS— Collaborating with CVUSD and LVUSD to support academic success, social-emotional development, educational equity, and high-quality programming.

TECHNOLOGY— Teaching coding, algorithmic processes, and technological design while fostering teamwork, perseverance, and problem-solving skills.

APP LAB— Encouraging youths to work in teams, develop, design, and present original ideas for apps.

COMPUTER SCIENCE— Introducing youths to computer science through accessible, drag-and-drop coding and interactive games.

DIGITAL LITERACY ESSENTIALS— Providing a foundation for digital safety, privacy, presence, online communication, and retro gaming for members of all ability levels.

MEDIA MAKING— Empowering youths with equipment and knowledge to create, edit, and share media projects such as sound recording, music, animations, films, and photography.

ROBOTICS— Teaching youths how to design, build, and operate robots using STEM principles.

Academic Success

By fostering a deep curiosity and thirst for knowledge, academic success equips youths with the ability to make informed decisions and solve complex problems.

LOCALLY DEVELOPED INITIATIVES AND PROGRAMMING TO FOSTER ACADEMIC SUCCESS

POWER HOUR— Comprehensive homework help and tutoring program offering access to computers and the internet to enhance academic success.

PROJECT LEARN— Maximizing youths' after-school time in a safe and supportive environment, focusing on academic enrichment and school engagement.

SUMMER BRAIN GAIN— Engaging youths in challenging and themed activities aligned with common core anchor standards to practice logic skills, analyze mathematical patterns, and test cognitive abilities.

(continued)

Health & Life Skills

Nurturing well-being and fostering personal growth helps youths to develop a strong sense of self and the skills to thrive independently.

GRIEF AND BEREAVEMENT— Encouraging youths to express their thoughts and feelings in a healthy and supportive way through play, creative activities, and physical movement while learning about grief.

IMAGEMAKERS NATIONAL PHOTOGRAPHY CONTEST— Sparking youths' interest in photography and teaching them the art and science behind it through exciting categories like culture, portraits, nature, fashion, and editing.

INDIVIDUAL RECREATION ACTIVITIES— Providing a safe environment for youths to explore their uniqueness through activities such as walking, meditation, reading, games, and dancing.

LOCALLY DEVELOPED PROGRAMS FOSTERING HEALTHY LIFESTYLES

LYRICISM 101— Empowering youths to develop music, performance, and literacy skills while discovering the power of communication, collaboration, and passion for creativity.

MONEY MATTERS— Engaging youths in financial decision-making through interactive tools and games that make saving money and budgeting thought-provoking and enjoyable.

NATIONAL ARTS— Inspiring creativity and skill development in visual, digital, and performing arts, and recognizing youths for their accomplishments.

NATIONAL FITNESS COMPETITION— Motivating youths with a friendly, competitive spirit to achieve short-term fitness goals.

ORGANIZED SPORTS BASEBALL, BASKETBALL, FLAG FOOTBALL, SOCCER, VOLLEYBALL— Promoting active and positive lifestyles through low-competitive sports programs like baseball, basketball, flag football, soccer, and volleyball that emphasize teamwork, rules, skills, and fundamentals.

OTHER INTRAMURAL SPORTS LEAGUES— Encouraging physical fitness, stress reduction, and positive leisure time through various intramural sports leagues that also foster an appreciation for the environment and interpersonal skills.

SMART MOVES— Creating a positive environment where youths learn healthy habits, prevention techniques, and enhance self-esteem while gaining knowledge about the negative effects of risky behaviors.

TARGETED OUTREACH, OPIOID SUBSTANCE USE PREVENTION, AND RE-ENTRY— Establishing a foundation of support for youths with activities that focus on resilience, prevention, and intervention activities.

TRIPLE PLAY— Engaging youths in a dynamic health and wellness program with three goals: healthy habits for the mind, daily challenges for the body, and social recreation for the soul.

DAILY CHALLENGES— Building knowledge of healthy habits, good nutrition, and physical fitness through progressive and interactive activities while interacting positively with peers through agility, coordination, and speed challenges.

HEALTHY HABITS— Empowering youths with practical activities that develop skills, confidence, and motivation to make healthy nutritional choices throughout their lives.

SOCIAL RECREATION— Fostering healthy relationships with oneself and others through activities that enhance understanding of emotions and promote responsible decision-making.

ULTIMATE JOURNEYS— Cultivating awareness and appreciation of natural wonders through fun, experiential, and educational STEM activities that focus on environmental preservation.

HOMESCHOOL HELP!

Reclaim Your Evenings!

Juggling homework, meals, and extracurricular activities can be a challenging task for families. Imagine if your child could complete their homework while you're at work, freeing up your evenings for quality family time. This is where the Club comes in!

Our Clubs are equipped with computers and internet access so students can finish their assignments and when help is needed, our staff and tutors are ready to offer assistance across all subjects. Homework Help at the Club will help your child build confidence in their academic skills and complete their work on time in a safe and friendly environment.
