Fall Semester of “Piano after School” at Round Meadow School!

In Music, students learn the fundamentals of music through electronic keyboards. Included are singing, rhythm, harmony and note reading. Electronic keyboards are provided during class.

Fall 2023 Lesson Plan: Beginning students will learn keyboard orientation, finger number recognition, tunes on keys for rhythmic reading, development of finger skills and more! Returning students will advance to further music education and keyboard playing. Students begin with Book One and advance to Book Five throughout each semester. Students are required to practice at home for advancement. Final recital is such a great event, don't miss it!
