SECOND ANNUAL YOUTH OF THE YEAR CELEBRATION

Tuesday, February 2, 2027 | Los Robles Greens | 11:30am – 1:15pm

ABOUT YOUTH OF THE YEAR

Honoring Our Future Leaders

Since 1947, the Youth of the Year program has been Boys & Girls Clubs of America's premier recognition platform. It celebrates outstanding Club teens who have demonstrated academic excellence, strong character, leadership skills, and a commitment to community service.

At the Boys & Girls Clubs of Greater Conejo Valley, this journey begins at the Club level, where candidates undergo weeks of preparation—from personal essays and speech coaching to resume building and interviews—culminating in this powerful luncheon celebration.

WHY IT MATTERS

Empowering Youth. Transforming Communities.

Youth of the Year honorees represent the very best of what Club programs can accomplish. Each participant has overcome obstacles and emerged as a beacon of resilience, ambition, and compassion.

Through this program, teens gain:

- Mentorship from caring adults
- Public speaking and leadership training
- Scholarship opportunities
- A lifelong platform for advocacy and service

Jessica: Catin Family Club

Jessica is a senior at Agoura High School and a member of the Catlin Family Club, where she has found her voice and turned personal challenges into a passion for advocating for others. Recently selected to serve on Boys & Girls Clubs of America's National Youth Advisory Council, she hopes to study women's, gender and sexuality studies and journalism after high school to help amplify the voices of marginalized communities.

Andre: Marion & John E. Anderson Club

Andre is a freshman at Thousand Oaks High School and a member of the Marion & John E. Anderson Club. He likes to participate in all athletic programs at the Club. He enjoys getting outside, staying active, and meeting new people. As a Keystone club member and volunteer, he also serves as a referee, building his leadership skills while supporting fellow Club members. After high school, Andre hopes to attend a local college and pursue his interest in studying to become a zoologist or a veterinarian.

Kaden: Rocky and Lon Morton Club

Kaden is a freshman at Westlake High School and a member of the Rocky and Lon Morton Club. He enjoys participating in all athletic programs, where he likes having fun, building community, and learning how to communicate and work as a team. After high school, Kaden plans to attend college and major in engineering or computer science.

Macy: Cal and Marje Johnston Club

Macy is a sophomore at Westlake High School and a member of the Cal and Marje Johnston Club. Her favorite program is Torch Club, where she enjoyed planning teen nights, supporting Bring a Friend Friday, seeking donations from local businesses, and working at the snack shack. These experiences have helped her develop leadership skills while having fun and learning what it takes to be a leader in your community. After high school, Macy hopes to attend, with an interest in Cal Poly San Luis Obispo, to study ocean engineering or marine biology.

Mariana: John L. Notter Family Club

Mariana is a sophomore at Thousand Oaks High School and a member of the John L. Notter Family Club. Her favorite programs are art and cooking, where she enjoys connecting with others who share her passion for art, exploring different foods, and helping lead cooking activities for fellow Club members. After high school, Mariana hopes to attend Cal State Long Beach and major in education or liberal studies to pursue her goal of becoming a teacher.

LUNCHEON HIGHLIGHTS

Los Robles Greens I Tuesday, February 2, 2027

11:30 AM
Reception & Networking

12:15 PM
